"Much interest is being manifested by Baltimore society in the marriage which will take place on Tuesday, April 26, of Miss Eva Randolph (Terry) Dulaney, daughter of Mr. and Mrs. Richard Hunter Dulaney, of Graton Hall, Fauquier county, Va., and Dr. Archibald Cary Randolph, of Clarke county, Va. Young, the well-known surgeon.

"The marriage will take place at noon at Graton Hall, the Dulaney's country home, and will unite two of the most prominent families of the Old Dominion. The bride-to-be is exceedingly attractive, and each season has been a favorite at the Greenbrier White Sulphur Springs. She is a niece of Mrs. Robert Neville, of Virginia, and of the late Hal Dulaney, who during his lifetime was a member of several leading clubs in Baltimore.

"Dr. Randolph is a son of the late Dr. Archibald Randolph, of Clarke county, Va., and a nephew of Isham Randolph, the Chicago engineer, who has so often been called into consultation relative to engineering matters in this city. He is a grandson of the late Dr. Robert C. Randolph, whose estate, Newmarket, was one of the famous ancestral places in the Shenandoah Valley of Virginia."

Big Sum to Be Paid Next Month. Condemned Man May Be Respited.

Rules were issued against four corporations yesterday to show cause why they have not complied with the orders of the State Corporation Commission. Two of these are foreign concerns, supposed to be doing business in this State without a license, and the others are embryonic railroads, which have not made reports. All of the four hearings are set for April 27, at 11 o'clock, in the courtroom of the commission.

One of these processes was against the Carolina Engineering Company, a North Carolina concern, said to be

The two railroads concerned are charged with failure to make annual reports to the Corporation Commission as railroads not yet engaged in business. They are the Richmond, Urbanna and Peninsula Railroad Company and the Staunton River Railroad Company.

## Candidate for Governor

MRS. MARILLA RICKER, Famous Lawyer and Free Thinker, Who Aspires to Be Governor of New Hampshire.

Congressional Committee, returned to this city to-day from Tazewell, where he has been for several days looking after the organization of the Democratic party. Mr. St. Clair stated that everybody was interested in the coming election and that a full vote would be polled in November. Slowly and quietly the Democrats are qualifying, and by May 7, the last day for qualification, the Democratic forces will have been lined up, and an active campaign can be looked for, it was stated.

When asked if the people of Tazewell county were satisfied with the selection of Henry Stuart for Congress, Mr. St. Clair said: "Harmony reigns supreme throughout the district. I have not found one dissatisfied voter."

**Butcher-Hazlegrave.** [Special to The Times-Dispatch.] Mrs. and Mr. Stuart left immediately for Asheville, N. C., and other Southern cities. They will be at home in Danville after the 15th of April.

**Lee-Trimble.** [Special to The Times-Dispatch.] Announcement is made of the approaching marriage of John Mason Lee, Jr., of Stafford county, and Miss Rachel Christian Trimble, of Washington, the ceremony to take place in New York Avenue Presbyterian Church, in this city, April 19. Mr. Lee is a son of Major John M. Lee, of Stafford, a brother of the late General Fitzhugh Lee.

**Woman Attacked by Mad-Deer.** [Special to The Times-Dispatch.] Salisbury, N. C., April 8.—Suffering from a severe case of nervous prostration, Mrs. Maggie Schaefer, daughter of Mr. and Mrs. F. L. Schaefer, of Rowan county, went to Raleigh last night to take treatment. The deer, which appeared at the Schaefer home unexpectedly, sprang upon the young woman, biting her severely in the shoulder, after which it was killed and its head also taken to Raleigh for examination by experts.

**Hea Leg Cut Off.** [Special to The Times-Dispatch.] La Crosse, Va., April 8.—Earl Drewry, the young son of P. W. Drewry, agent for the Southern Railway at this place, while attempting to get on a passing freight train while in motion, fell and had his right leg cut off just below the knee and completely severed from his body, and his left foot mangled so badly that it had to be cut off.

**Lawson-Coon.** [Special to The Times-Dispatch.] Pocahontas, Va., April 8.—Marvin Humphreys, of Washington, D. C., and Miss Lottie M. Davidson, of Farmville, were married on last Tuesday afternoon at the home of the bride's parents, Mr. and Mrs. W. M. Davidson. The ceremony was performed by Rev. W. T. Green, pastor of the Methodist Church. At the conclusion of the ceremony Mr. and Mrs. Humphreys boarded the eastbound train for a short trip, after which they will go to Washington to make their future home.

**THIS WINE—REAL OLD.** Think of Sherry wine from Jerez, Spain, being stored for twenty years in wood! Such is the Amontillado now offered by Hermann Schmidt, 504-6-S East Broad Street. For that tried feeling, lost appetite, debilitated constitution, and for the convalescent, the mother, sickly children and every one who desired to strengthen their body and have the organs respond promptly to the demands of nature, there is nothing that excels this rare old Sherry. Only \$1.25 a bottle, or \$5.00 a gallon.

**THE CHILDREN ENJOY**  
Life out of doors and out of the games which they play and the enjoyment which they receive and the efforts which they make, comes the greater part of that healthful development which is so essential to their happiness when grown. When a laxative is needed, the remedy which is given to them to cleanse and sweeten and strengthen the internal organs on which it acts, should be such as physicians would sanction, because its component parts are known to be wholesome and the remedy itself free from every objectionable quality. The one remedy which physicians and parents, well informed, approve and recommend and which the little ones enjoy, because of its pleasant flavor, its gentle action and its beneficial effects, is—Syrup of Figs and Elixir of Senna—and for the same reason it is the only laxative which should be used by the fathers and mothers.

If you would have them grow to manhood and womanhood, strong, healthy and happy, do not give them medicine when medicines are not needed, and when nature requires assistance in the way of a laxative, give them the simple, pleasant and gentle—Syrup of Figs and Elixir of Senna. As you value the health of the little ones, do not accept any of the substitutes which unscrupulous dealers sometimes offer to increase their profits. Please to remember, the full name of the Company—California Fig Syrup Co.—is printed on the front of every package. To get its beneficial effects it is necessary to purchase the genuine only. Buy a bottle today to have in the house when needed. Put up in one size only. Regular price 50c a bottle and for sale by all leading druggists.

## OFFERS TO REINSURE

**Bureau of Insurance Advises Dealing With Domesticated Companies.**  
The Northern Life Insurance Company, of Rock Island, Ill., has submitted a proposition to the members of the Fraternal Tribunes, a fraternal organization which formerly did an insurance business in Virginia, having at the time of its withdrawal about 200 members in the State, under which the Northern Life will insure the members of the Fraternal Tribunes individually. No contract has been made between the two organizations, nor are the members being reinsured as a whole.

The Northern Life has prepared a special term policy on the monthly premium basis, and any member can have any form issued on request. The company is simply writing new business, requiring fresh medical examination, unless the third of its withdrawal about 200 members in the State, under which the Northern Life will insure the members of the Fraternal Tribunes individually. No contract has been made between the two organizations, nor are the members being reinsured as a whole.

An inquiry at the Bureau of Insurance yesterday developed the fact that the Northern Life was not licensed to transact business in Virginia. Since no special inducements are offered the membership of the Fraternal Tribunes for reinsuring with the Northern Life, it was the opinion of the officials at the bureau that the Virginia membership of the Fraternal Tribunes had best seek their insurance in some company subject to the laws of and doing business in the State of Virginia.

## PAY PENSIONS NEXT MONTH

**Emergency Fund and Old List Beneficiaries Soon to Get Money.**

Beginning about May 1, Pension Clerk Scott will proceed to pay out something like \$140,000 of pension money. A little more than half of this will go to what is known as the old list of pensioners, including the wounded soldiers and the widows of men who died in service under the act of 1888. The rest of the money to be paid out next month will be under the emergency act passed at the recent session of the Legislature, when \$65,000 was appropriated to pay the pensions for 1909, which could not be settled because of lack of sufficient funds. Pensioners under other acts than that of 1888 will be paid later in the year.

## NOEL MAY GET RESPITE

**Murderer Reported to Be Too Badly Wounded to Be Transported.**

It may become necessary to grant a respite for Tom Noel, the Norfolk county murderer, who was shot a few days ago while attempting to escape after breaking jail. Noel and Elifan House are under sentence of death in the electric chair on April 25 for killing Constable Robinson, and recently made a sensational escape and were recaptured.

Under the law, prisoners sentenced to death must be in the penitentiary fifteen days before their execution. It is understood that Noel will hardly be able to travel for some days, and in that event the Governor may have to grant a respite for perhaps a week. A penitentiary guard will go to Norfolk to-day for the prisoners, and will bring Rouse, and perhaps Noel, to this city to-night.

## To Appoint Oyster Inspectors.

About fifty oyster inspectors, scattered over all the Tidewater counties, are to be appointed for the succeeding term of two years at a meeting of the State Commission of Fisheries, which has been called at the Atlantic Hotel, in Norfolk, on April 15. A good many applications for these positions have been filed with the board.

## DESERTERS DROPPED

**Batch of Military Orders Issued from Office of Adjutant-General.**

Orders were issued yesterday by Adjutant-General W. W. Sale declaring Private Robert Deering, G. C. One and S. S. Shields to be deserters, and requiring that their names be dropped from the rolls as such. These men were members of Company B, Second Virginia Regiment, and were discharged made upon the request of the company commander, approved by the brigade and regimental commanders. The privates had absented themselves from all drills and parades of their company for a period of more than six months.

Commission has issued to W. H. Blythe, formerly first lieutenant of Company C, Second Virginia, to be quartermaster and commissary officer of the First Battalion of the Second Regiment, with headquarters at Culpeper.

Upon orders from the Adjutant-General's office, the proposed company of coast artillery at Portsmouth, having been inspected by Inspector-General Jo Lane Stern and mustered into the service of the State, is designated the Fourth Company of Coast Artillery Corps. The commanding officer of the company is ordered to report to the senior officer commanding the Coast Artillery Corps for orders.

In this connection commissions were issued yesterday to Charles P. Heine, to be captain; George E. Wilson, to be first lieutenant, and to William H. White, to be second lieutenant of this company. Commission was also issued to James McGraw, Jr., to be first lieutenant of Company C, Richmond Light Infantry Blues.

**Burnley on the Job.** W. Sam Burnley, of Charlottesville, recently appointed to be Assistant Secretary of Virginia Military Records, arrived in Richmond yesterday and began his duties. Mr. Burnley, with his chief, Colonel J. V. Bldgood, will at once open a set of books and proceed to carry out the mandates of the Legislature with reference to keeping the Confederate records.

**Banks' Time Shortened.** Publication of compiled statements of the conditions of State banks will not be so long delayed when the new banking law goes into effect. Under the present statute the banks are given thirty days after the issuance for a call to file their statements. The new act gives them only fifteen days. The United States Treasury Department at laws national banks only five days in which to comply with the call, although in many cases practically all of this time is required in carrying the statement by mail to Washington.
